

## **Proposal for Low Power FM vs. FM Translator Service**

I wanted to take the time to tell you that I do not agree with the FCC proposal which would allow Low Power FM (LPFM) stations to take priority over current FM translator service. Currently, our family is served and has been served by K-LOVE radio as a resident of a community where K-LOVE is broadcast. K-LOVE provides a positive and encouraging message to those in the community who listen, and allowing LPFM stations to take priority over current FM translator service would remove this message from many communities which K-LOVE serves. The service provided by K-LOVE is in the public interest as it provides positive, Christian music and discussion to many communities, which are otherwise swamped with messages that tell people to be self-serving.

Please don't take our K-LOVE stations away – do not allow LPFM stations to take priority over current FM translator service!!

Sincerely,

Chad Haglin
